

About WIS

WIS Internet Inc. – Founded in 1999, WIS has been a leader of Taiwan's hosting industry. WIS focuses on the corporate market; now more than 8,000 corporate customers selected WIS as their Internet services provider.

WIS is:

- The Strategic Ambassador (top reseller) of Yahoo! Search Marketing services. Yahoo Taiwan is the no. 1 portal, and the most influential Internet media in Taiwan.
- The official hosting service provider for PCHOME Online's customers. Being the exclusive partner of eBay and Skype, PCHOME Online is the no. 1 e-commerce portal in Taiwan.
- The partner of GMO Hosting and Security Inc. (TSE Mothers: 3788), a leading hosting company in Japan. In mid- 2006, WIS and GMO-HS launched the first dedicated server, "Mighty Server", in Taiwan. "Mighty Server" offers world-class dedicated hosting architectures and cutting-edge management features.

WIS offers:

- **Server Hosting Services:** Shared Server Hosting, Dedicated Server Hosting.
- **Hosting Related Services:** Domain Name Registration, SSL Certificate Registration, Payment Gateway Solutions
- **Technical Consulting:** Internet Server Architecture and Network Design, Equipment Procurement, Network Consulting Services, Network Maintenance Services
- **Search Marketing:** Yahoo! Taiwan, Yahoo! Hong Kong, Google Keywords Advertising Services
- **Other Internet Marketing Services:** SEO Consulting Services, Search Engine Registrations, Online Marketing Consulting Services for specific local markets

WIS's Famous Customers

National Geographic Magazine Chinese Edition, Tailing Motor Company Limited (Suzuki Motorcycle, Taiwan), Bank of Tokyo-Mitsubishi UFJ, French Institute in Taipei, Belgian Trade Association, the Canadian Society in Taiwan, Netherlands Board of Tourism, Assistive Technology Resources Center for People with Facial Disfigurement, Ministry of the Interior, Taipei International Film Festival, Taiwan Telecom Industry Development Association, etc.
